

DAY 5 CONTESTANT SHEET

STICKING TO THE TEAM

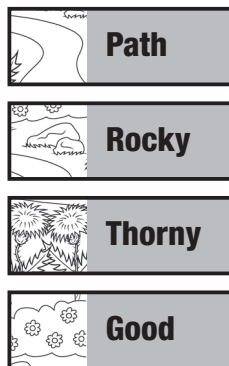

Write down where you think the soil is rocky, thorny and good. Label the path. >

If you were going to draw yourself in the garden, what soil or path would you be on?

Draw a line to show which soil represents which sort of people. ▼

Jesus said that the good soil could produce a crop that multiplied up to 100 times. What things do people do when they love God? List some ideas in the five watering cans. ▼

Those who aren't interested in God

Those who soon give up on God

Those who love God

Those who try but get distracted
